

Accessibility Statement

Updated: February 2019

General

CPT Group Inc. (“CPT Group”) strives to ensure that individuals with disabilities can access all of the services offered by CPT Group through its website, www.cptgroup.com, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

Accessibility on cptgroup.com

cptgroup.com makes available the UserWay Website Accessibility Widget that is powered by a dedicated accessibility server. The software allows cptgroup.com to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.0). We are actively working to increase the accessibility and usability of our website, and in doing so adhere to many of the available standards to the greatest extent possible.

Enabling the Accessibility Menu

The cptgroup.com accessibility menu can be enabled by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

CPT Group continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

Despite our efforts to make all pages and content on cptgroup.com fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.

Here For You

We strive to make the content on this website usable by all visitors, including those with disabilities.

If you are experiencing difficulty with using this website, with or without assistive technology, any content on cptgroup.com, or require assistance with any part of our site, please contact us at info@cptgroup.com and we will be happy to assist. To enable us to respond in a manner most helpful to you, please indicate the nature of your difficulty using the website, the specific web address (URL link) at issue, and your full contact information, including email address and phone number.
